The current surplus (excess of total assets over current liabilities) increased from \$12,351.30 to \$12,522.17 during 1955, as shown by the following statement:

	December 31, 1954	December 31, 1955

Unredeemed Taxes—Prior Years' Levies: (Exhibit I)

Attention is again called to the unredeemed taxes from tax sales on account of the levies of 1952 and prior years which are as follows:

Levy of 1952	\$ 632.04
Levy of 1951	439.52
Levy of 1950	136.69
Levy of 1949	29.62
Levy of 1946	21.54

Yours very truly,

Acknowledgment of Gifts

During the past year the following gifts have been made to the Town of Sandwich for which the Town is duly grateful.

Mrs. Everett W. Manter, formerly of the Squam Lake Road, presented her baby grand piano for use at the Town Hall. This will fill a much needed requirement for musical entertainment such as presented by our summer resident Robert Bates.

During past years Mrs. Richard L. Beckwith cooperated with the Town and very graciously permitted use of her Squam Lake beach and other nearby land for bathing and recreational purposes. Now after her death, her daughter Mrs. Helen W. Mathey of Princeton, N. J., has conveyed the beach and other land to the Town of Sandwich for use of its residents, summer residents and their guests.

DANGER FROM FIRES IN WOODLANDS

WOODLAND LITTER, WHEN DRY, IS HIGHLY INFLAMMABLE AND FIRES CAN QUICKLY GET OUT OF CONTROL. WE REQUEST YOUR COOPERATION TO CONTROL ALL FIRES SO THAT LIVES AND PROPERTY MAY NOT BE ENDANGERED OR DESTROYED, AND FORESTS BE KEPT GREEN TO FURNISH THE NATURAL BEAUTY WE ALL ENJOY AND TO GROW TIMBER WE WILL NEED.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

WHEN IN THE WOODS, YOU ARE EXPECTED TO EXERCISE CAUTION IN THE USE OF FIRE AND TO REMEMBER THAT

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200, or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permit.

Mrs. Grace Ainger

All too seldom in the world are the people of any community so fortunate in the benefits from a public servant as have been the people of Sandwich in having had her as a School Board member for just short of thirty consecutive years. Much of the joy and pride of her life came from her sure knowledge of a job so well done over all the years. The children of Sandwich and the people of Sandwich have received a return which cannot be measured. As for the remaining School Board members, we have often been saved from folly by the good counsel.

Report of School Nurse

In May 1955, nineteen Sandwich children received the first inoculations of Salk vaccine for the prevention of poliomyelitis. In October a second inoculation was given these children for further prevention.

A regular immunization clinic was held at the central school with 23 school children receiving booster shots for the prevention of diphtheria, tetanus and whooping cough. During the year many children have attended the orthopedic clinic in Laconia to help the correction of flat feet or poor posture.

On June 3rd, a pre-school visiting day was held with 13 present. This day is for the young children and parents to acquaint themselves with school activities and for the nurse to record each child's height, weight and past health histories.

TB Patch tests were applied to 35 children in October and the results recorded. On October 18th a Chest X-ray Clinic was held at the Sandwich central school for all in this area to attend. Quimby school had an excellent attendance.

Tests were also made for defects in hearing and vision. When any defect is found, the nurse reports this to the parents so that the proper treatment may be followed for early correction.

In addition to these special health programs, your nurse recorded the spring and fall heights and weights to show normal growth. Early in the fall 97 pupils of Sandwich central school had physical examinations by Dr. Conrad. In November, Dr. Conrad examined 30 Quimby school students and recommendations were made to improve any defects found.

Again this year vitamin pills were made available to the children during the winter months through the cooperation of the local Red Cross.

Report of the Superintendent of Schools

To the School Board and Citizens of Sandwich:

I present herein my first annual report as Superintendent of Supervisory Union #2. I am very favorably impressed with the program that is being offered to the boys and girls of Sandwich. There is a strong, forward-looking and thoroughly professional corps of teachers that are well aware of the individual needs and differences of the boys and girls.

The attitude and spirit of the pupils reflect the wholesome situation that exists both in the schools and in the community.

The Sandwich Parent-Teacher Association is to be complimented for doing such a fine job in knitting the home and school together. They have carried on many worthwhile projects and their support has been a great stimulus to the teacher in the classroom.

GUIDANCE

Dr. Charles B. Regan, graduate of Boston University, is Director of the Guidance program in the Union. Dr. Regan has had a great deal of experience in his field and is well qualified to give assistance in individual counselling and group work. He has spent considerable time working with teachers and bringing individual pupil records up to date. A course in Principles of Guidance for teachers was started in October. This course met for fifteen three-hour sessions at Meredith high school and was under the extension program of the State Teachers College at Plymouth, N. H.

ART WORKSHOP

The workshop this past fall was in the field of art. Sessions were held after school hours at the Holderness Central School. This course was under the supervision of Dr. Alice Baumgarner, Director, Arts Education, of the State Department of Education, and was taught by Mrs. Wilma Bradbury, Art Consultant for Binney and Smith Company.

The teachers were given instruction in many of the media used in the field of art and as I have visited the schools I have seen many of the ideas obtained, displayed in the classrooms, especially at Thanksgiving and Christmas time.

I would like to suggest at this time that we give some thought to the idea of having an art supervisor on a Union basis to assist our teachers.

MUSIC

Mr. F. Glenn Cummings, a graduate of Illinois Teachers College, with a major in the field of music education, is supervisor of music in the towns of Ashland, Holderness and Sandwich. Mr. Cummings has had two years of experience playing and composing music in one of the Army bands.

HEALTH

Miss Annette Eveleth, R. N., Director of School Health Services for the State Department of Education, met with the teachers in the Union at Moultonboro Central School and discussed the new Health Guide for teaching and administering the health program in the schools.

REPORTING TO PARENTS

Several meetings have been held with the principals this year in developing plans for a more uniform system of reporting pupils' progress to parents. It is gratifying to see how well the teacher-parent conference part is working out.

FINANCIAL

The Union Budget for 1956-57 school year is apportioned among the five districts on the basis of the 1954-55 Average Daily Membership and the 1954 Equalized Valuation as follows:

<i>District</i>	<i>Percentage</i>	<i>Supt's</i>	<i>Travel</i>	<i>Guidance</i>
		<i>Salary</i>	<i>Sec. & office exp.</i>	<i>Director</i>
ASHLAND	20.53%	\$ 923.85	\$1,417.33	\$ 633.44
INTER-LAKES	40.86%	1,838.70	2,820.81	1,320.40
Meredith				
Center Harbor				
HOLDERNESS	12.58%	566.10	787.35	
MOULTONBORO	16.03%	721.35	1,106.64	518.01
SANDWICH	10.00%	450.00	690.37	323.15
Totals		\$4,500.00	\$6,822.50	\$2,825.00

The superintendent's salary this year is \$6,500 of which \$4,000 is collected from the five districts and the balance of \$2,500 is paid by the State.

The guidance director's salary this year is \$4,500 of which \$2,000 is paid by the State from a Federal appropriation, \$200 by the Quimby School Board of Trustees and \$2,300 is collected from four districts.

CONCLUSION

I am indebted to Mr. Almon W. Bushnell, my predecessor, for the hours that he spent in helping me to become familiar with the work of the Supervisory Union.

All the members of the staffs of the Central School and Quimby School have been most cordial, cooperative and helpful. It has been a pleasure being one of their co-workers.

To you, the members of the School Board, I am particularly grateful for your friendly cooperation, advice and support. I hope that I may fulfill the confidence implied by the Supervisory Union Board in electing me as its executive officer.

Respectfully submitted,

MARTIN E. HEFFERNAN

Superintendent

Report of Principal

Children may talk a lot about how they yearn for vacation days to come, but when September comes around most of them return to school with eagerness. Last September one hundred pupils were registered at Sandwich Central School on the first day of school.

It is hoped that parents will examine the text books their children bring home, and will note that new and very attractive texts are gradually replacing old ones. The new 16 mm projector, bought by the district, is an excellent machine and is very easy to handle. Interesting films are being shown to correlate with the children's studies in their books.

The percent of children taking the hot lunch at noon is exceptionally high this year. This contributes to better health and increases vitality. Vitamin tablets are supplied by the Red Cross during the winter to all children who wish them.

The services of the guidance director supplied this year by the district, will be very helpful. This spring he will test the 8th grade and try to guide them toward choosing the courses best suited to their needs and abilities in high school.

At Christmas the children enjoyed entertaining their parents and townspeople at a Christmas program which was combined with the community tree.
